

BONNEVILLE ACCOMMODATIONS

Note: When calling for motel/hotel reservations, do not mention Bonneville or racing. The Casinos prefer to find rooms for folks coming to gamble. I always ask for the "Gamblers Special" even if no such special exists!

CAMPING: Free camping without facilities is available at Roads Bend, a site located on the Speedway exit road 3 miles east of Wendover on I-80, and 1 mile north just 2 miles from where you enter onto the salt. Showers and a great little Mexican restaurant are at the truck stop as you exit the freeway.

also General desert camping throughout the area. There is "NO" camping on the salt!!

Note: Motorcycle helmets are required for riding in Nevada, including going from Wendover in Utah to the casinos just across the invisible state border in West Wendover, Nevada.
