**St. Ignace, Michigan:** St. Ignace Visitors Bureau is proud to announce, Master Builder for the 44<sup>th</sup> Annual St. Ignace Car Show Weekend, will be Gary “Boogie Man” Zaborowski, owner of Boogie Man's Custom Creations.

Gary is a Riverview Michigan resident who spent his youth building model cars as a hobby, quickly graduated to “real” car creations and in 2014, captured the the Autorama Master Builder Award for his 1932 Ford Coupe. The Autorama award is given to the owner of an outstanding car that is built with little to no professional help. In 2018, Zaborowski was also named Maverick of Color by Matrix Automotive Finishes. For Autorama 2019, Boogieman unveiled his latest creation, a 1940 Ford Coupe, named “Impact”, which he acquired after the original drag car hit the wall at 167 miles per hour.

“ I am very excited to come to St. Ignace” said Zaborowski, “ and honored to be named Master Builder for the 2019 car show. St. Ignace is recognized around the country as a great car show. I plan on bringing five of my friends with me from our Rat Pack Car Club and we will feature ten of our cars at the show”. The St. Ignace Car Show will be providing a feature lot for Boogieman and the Rat Pack.

When asked how he came by the nickname “Boogie Man”, Zaborowski said “ it was was my love for dancing and the fact that I was the only guy in my group that knew how to boogie. I got the nickname, which seems to have stuck to me over the years.”
